

## **Grants Awarded in February 2015**

### **Medical**

#### **Professor Michael Miles, London School of Hygiene and Tropical Medicine**

Providing a Sir Halley Stewart Trust PhD scholarship and a contribution to the cost of supplementary reagents and subsistence in Bolivia and India, for the project *Point of care rapid diagnostic tests for neglected tropical diseases, with special reference to strongyloidiasis among vulnerable population.*

**£54,000 over three years**

#### **Andean Medical Mission (AMM)**

To fund a pterygia histopathology study in Bolivia, to provide a protocol for the urgency of treatment and explore simple strategies to prevent the growth of pterygia through education and social intervention.

**£15,450 over 18 months**

#### **Dan Gore FRCOphth, Moorfields Eye Hospital**

Towards the research study *Is cytomegalovirus (CMV) infection a cause of corneal graft rejection in the UK?*

**£2,435 small grant**

### **Social**

#### **The Dartington Hall Trust**

A third and final year of funding towards the salary of the Dartington LandWorks Project Manager, for a pilot landscaping training project aiming to help the rehabilitation of offenders.

**£25,000 over one year**

#### **Choices Islington**

A third and final year of funding towards the 'I Am' project at HMP Holloway – a creative arts course to inspire and equip women upon their prison release to develop and maintain positive relationships free from coercion, violence and intimidation.

**£25,000 over one year**

#### **University of Bristol, Glasgow Caledonian University and the University of Glasgow**

To fund a four-month feasibility study into Football and Domestic Abuse in England and Scotland, involving the use of group consultations with relevant key stakeholders (from police and football association representatives, to specialist women's domestic violence services and abuse survivors).

**£22,617.70 over four months**

#### **University of Stirling (on behalf of a consortium of the University of East Anglia, Queen's University Belfast, Cardiff University, the University of Edinburgh and University of Stirling)**

Funding to develop a major funding proposal regarding a project to improve the lives of neglected children – specifically to establish a centre of excellence known as the UK Neglect Observatory.

**£14,834, over four months**

#### **The Colebrook Centre, UK-IN**

Towards the launch of the UK Implementation Network in autumn 2014 – specifically a public launch event and two key learning events.

**£5,000 small grant**

## **Religious**

### **Bible Society**

Two-year basic salary costs for a new, temporary Training Development Officer, as part of a wider five-year project to significantly increase the capacity of Open the Book to reach more than two million children in 50% of primary schools throughout England and Wales.

**£53,034 over two years**

### **Dr Joshua Hordern, University of Oxford, Faculty of Theology and Religion**

Pump-priming funding to produce and disseminate theological research into *Healthcare Values*, in partnership with theology and healthcare practitioners, patients, and policy makers, in order to effect change in the ethos of healthcare.

**£40,000 over two years**

### **St Ethelburga's Centre for Reconciliation and Peace**

Towards the salary of Angharad Thain, the Programme Manager, to deliver the programme of work *Faith Pioneers: Inspiring and equipping young adults of faith to be the leaders and peace-makers of the future*.

**£20,000 over two years**

### **SANA**

Towards a *Truth & Reconciliation* project, to assist with a visit to the UK for a group of young Bosnians from Srebrenica.

**£2,500 small grant**

### **ACET (AIDS Care Education and Training) / Esteem Resource Network**

Towards the production of a book that aims to equip children to learn about puberty and sex from a Christian perspective.

**£2,000 small grant**
