

IMPACT REPORT QUESTIONS

Please note that this document is for informational purposes only. The Outcome Questionnaire is an online form. Please do not complete and return this PDF in place of the online form.

DETAILS OF YOUR PROJECT

1. Project name*

2. Organisation name*

3. Total value of award* £

4. Main funding category*

- ☐ Medical
- ☐ Social
- ☐ Religious
- ☐ Other (e.g. Medical and Religious)

5. Date when your project's final report was submitted*

6. Have you been awarded funding from the Trust for any other work*?

- ☐ Yes
- ☐ No

If yes, please remind us of the name(s) of your other projects/awards and their approximate value (5,000 characters)

LONGER-TERM IMPACTS OF YOUR PROJECT

This section asks you to think about the longer-term impacts of your project, if any, for:

- Individual people participating or benefitting from the work
- Local and wider communities involved in the work
- The funded organisation(s)
- Practice and policy
- Yourself.

Please tell us about the longer-term impacts that have been achieved, if any, since the end of the funded project (i.e. since you submitted your final report to the Trust).

7. Firstly, were there any longer-term impacts for individuals who participated and/or benefitted from the project?

- ☐ Not relevant – there were no longer-term impacts for individuals
- ☐ New or improved life skills
- ☐ Improved life chances and livelihood (employment/income, etc)
- ☐ Improved health and well-being
- ☐ Improved access to appropriate social care and/or healthcare
- ☐ New or improved knowledge
- ☐ New or improved skills and learning
- ☐ Empowered by the approach
- ☐ Other longer-term impacts for individuals

8. Secondly, were there any longer-term impacts for the local and wider communities involved in the project:

- ☐ Not relevant – there were no longer-term outcomes for local and wider communities.
- ☐ Improved relationships between members of communities
- ☐ Improved relationships between communities
- ☐ Shared learning/understanding with different communities/the public through articles, conferences, media, etc
- ☐ New knowledge generated
- ☐ Developed/contributed to existing knowledge and understanding
- ☐ Methodological learning
- ☐ Changed attitudes amongst local and wider communities towards a concept or idea
- ☐ Mobilised action amongst local and wider communities towards a concept or idea
- ☐ Other longer-term impacts for local and wider communities

9. Thirdly were there any longer-term impacts for the funded organisation(s):

- ☐ Not relevant – there were no longer-term impacts for the funded organisation(s)
- ☐ Developed a proposal for further funding
- ☐ Extended/expanded the sample for a new proposal
- ☐ Used methodological knowledge gained to help design methods for new work
- ☐ Gained new funding for this project
- ☐ Gained new funding for a new project
- ☐ Developed new external partnerships
- ☐ Developed new services/tools/innovations that have potential for commercialisation and/or scaling up
- ☐ Became more responsive to needs of clients
- ☐ Staff were trained and/or developed new skills
- ☐ Organisation is more established and robust
- ☐ Organisation and its work are valued and perceived more positively by external stakeholders
- ☐ Other longer-term impacts for your funded organisation

10. And fourthly, were there any longer-term impacts for practice and/or policy?

- ☐ Not relevant – there were no longer-term impacts for practice and/or policy
- ☐ Changes to local practice occurred
- ☐ Changes to regional practice occurred
- ☐ Changes to national practice occurred
- ☐ Local, regional, or national policy was influenced
- ☐ Innovation – developed a new tool or device
- ☐ Innovation – refined a tool/device
- ☐ Commercialised a tool/device
- ☐ Improved/increased capacity to respond to an issue or problem
- ☐ Developed clinical applications
- ☐ Other longer-term impacts for practice and policy

11. Did involvement in this project have any professional or career-related longer-term impacts for you personally?*

- ☐ Not relevant, there were no outcomes for me personally
- ☐ New knowledge and skills in research and project management
- ☐ Increased professional confidence
- ☐ New knowledge and skills to work in partnership with other organisations
- ☐ Opportunities for networking and partnership development
- ☐ Increased research productivity (publications, conferences, proposals, new funding)
- ☐ Opportunities to apply new learning
- ☐ Career progression (qualifications, promotion, new role/responsibility)
- ☐ Professional recognition (editorship, advisory role, keynote invitation, prize, etc)
- ☐ Other outcomes for me personally

If yes, please tell us what these personal long-term impacts were (5,000 characters)

MORE INFORMATION ABOUT THE LONGER-TERM IMPACTS OF YOUR PROJECT

12. Have you produced or contributed to any relevant publications, artefacts or outputs since your final report was submitted?

- ☐ Yes
- ☐ No

13. Did the longer-term impacts of your project make any contributions to the Trust's Medical, Social and/or Religious funding priorities? Please tick all that apply

- ☐ Improving the quality of life of older people suffering from physical or psychological disorders
- ☐ Prevention of disease and disability in children
- ☐ Prevention, diagnosis and treatment of tropical infectious and parasitic diseases
- ☐ Innovations, involving any discipline, which are likely to improve health care

- ☐ Innovations in medicine for caring for the needs of disadvantaged groups
- ☐ Prevention and resolution of conflict, promoting reconciliation, encouraging re-connection between family members
- ☐ Helping people to 'move beyond disadvantage'
- ☐ Helping people who may be vulnerable and/or have been exploited
- ☐ Encouraging Christian people to uphold, engage and communicate their faith in the public domain
- ☐ Encouraging dialogue between Christian faith and contemporary issues in a secular society
- ☐ Encouraging closer working relationships between Christian denominations
- ☐ Improving inter-faith relationships by facilitating a better understanding between faiths
- ☐ Supporting and encouraging the innovative education and communication of Christianity within the UK and also internationally
- ☐ Encouraging specific groups of people to explore their experience of spirituality and their spiritual needs and strengths, and to help others to understand these

If possible, please give more details about the contributions of your project to the Trust's Medical, Social and/or Religious funding priorities? (5,000 characters)
