OUTCOMES (END OF GRANT) REPORT QUESTIONS

DETAILS OF YOUR PROJECT

1. Project name*

2. Organisation name*

3. Total value of award* £

4. Main funding category*

- ☐ Medical
- ☐ Social
- ☐ Religious
- ☐ Other (e.g. Medical and Religious)

5. Please indicate the development stage of your funded project at the point when the grant was awarded*

- ☐ Exploration – scoping studies, feasibility studies, examining evidence for a need, looking at what is feasible
- ☐ Installation – practical preparations for taking things forward, such as preparation for and submitting funding bids; recruiting/training people; optimising and refining existing tools/innovations, etc
- ☐ Initial implementation – pilot studies, proof-of-concept – putting something to work for the first time
- ☐ Full implementation – putting new activities, innovations or tools already developed into practice
- ☐ Sustainability and embedding learning – on-going financial support for existing, and possibly well-developed services or projects - includes sharing learning via publication, dissemination and further exploitation
- ☐ Other

6. Date when your project's final report was submitted

7. Have you been awarded funding from the Trust for any other work?*

- ☐ Yes
- ☐ No

If yes, please remind us of the name(s) of your other projects/awards and their approximate value (5,000 characters)

AIMS AND OBJECTIVES OF YOUR PROJECT

8. Please summarise the main aims and objectives of your funded project and indicate the extent to which you feel these were achieved

For each aim and objective you will be asked to tell us whether this was **fully met, partly met or not met*** If your response is partially met or not met, we will ask you to tell us about this (1,000 characters per response)

9. Which of the Trust's current Medical, Social and/or Religious priorities did your project relate to most? Please tick all that apply*

- ☐ Improving the quality of life of older people suffering from physical or psychological disorders
- ☐ Prevention of disease and disability in children
- ☐ Prevention, diagnosis and treatment of tropical infectious and parasitic diseases
- ☐ Innovations, involving any discipline, which are likely to improve health care
- ☐ Innovations in medicine for caring for the needs of disadvantaged groups
- ☐ Prevention and resolution of conflict, promoting reconciliation, encouraging re-connection between family members
- ☐ Helping people to 'move beyond disadvantage'
- ☐ Helping people who may be vulnerable and/or have been exploited
- ☐ To encourage Christian people to uphold, engage and communicate their faith in the public domain
- ☐ To encourage dialogue between Christian faith and contemporary issues in a secular society
- ☐ To encourage closer working relationships between Christian denominations
- ☐ To improve inter-faith relationships by facilitating a better understanding between faiths
- ☐ To support and encourage the innovative education and communication of Christianity within the UK and also internationally
- ☐ To encourage specific groups of people to explore their experience of spirituality and their spiritual needs and strengths, and to help others to understand these

OUTCOMES OF YOUR PROJECT

This section of the questionnaire asks you to think about what outcomes your project achieved for:

- Individual people participating or benefitting from the work
- Local and wider communities involved in the work
- The funded organisation(s)
- Practice and policy
- Yourself.

Please only tell us about the outcomes that were achieved by the end of the project (ie.: within the lifetime of the grant).

10. Firstly, were there any outcomes for individuals who participated and/or benefitted from the project?

- ☐ Not relevant – there were no outcomes for individuals
- ☐ New or improved life skills
- ☐ Improved health and well-being
- ☐ Improved life chances and livelihood (employment/income, etc)

- ☐ Improved access to appropriate social care and/or healthcare
- ☐ New or improved knowledge
- ☐ New or improved skills and learning
- ☐ Empowered by the approach
- ☐ Other outcomes for individuals

If possible, please give more details about the outcomes for individuals who participated and /or benefitted from the project (2,000 characters)

11. Secondly, were there any outcomes for the local and wider communities involved in the project?

- ☐ Not relevant – there were no outcomes for local and wider communities
- ☐ Improved relationships between members
- ☐ Improved relationships between communities
- ☐ Shared learning/understanding with different communities/publics through articles, conferences, media, etc
- ☐ New knowledge generated
- ☐ Developed/contributed to existing knowledge and understanding
- ☐ Methodological learning
- ☐ Changed attitudes amongst members towards a concept or idea
- ☐ Mobilised action amongst members towards a concept or idea
- ☐ Other outcomes for local and wider communities

If possible, please give more details about the outcomes of your project for local and wider communities. (2,000 characters)

12. Thirdly, were there any outcomes for the funded organisation(s)?

- ☐ Not relevant – there were no outcomes for the funded organisation(s)
- ☐ Developed a proposal for further funding
- ☐ Extended/expanded the sample for a new proposal
- ☐ Used methodological knowledge gained to help design methods for new work
- ☐ Gained new funding for this project
- ☐ Gained new funding for a new project
- ☐ Developed new external partnerships
- ☐ Developed new services/tools/innovations that have potential for commercialisation and/or scaling up
- ☐ Became more responsive to needs of clients
- ☐ Staff were trained and/or developed new skills
- ☐ Organisation is more established and robust
- ☐ Organisation and its work is valued and perceived more positively by external stakeholders
- ☐ Other outcomes for your funded organisation

If possible, please give more details about the outcomes of your project for the funded organisation(s) (2,000 characters)

13. And fourthly, were there any outcomes for practice and / or policy?

- ☐ Not relevant – there were no outcomes for practice and/or policy
- ☐ Changes to local practice occurred
- ☐ Changes to regional practice occurred
- ☐ Changes to national practice occurred
- ☐ Local, regional, or national policy was influenced
- ☐ Innovation – developed a new tool or device
- ☐ Innovation – refined a tool/device
- ☐ Commercialised a tool/device
- ☐ Improved/increased capacity to respond to an issue or problem
- ☐ Developed clinical applications
- ☐ Other outcomes for practice and policy

If possible, please give more details about the outcomes of your project for practice and policy.
(2,000 characters)

14. Did involvement in this project have any professional or career-related outcomes for you personally?*

- ☐ Not relevant, there were no outcomes for me personally
- ☐ New knowledge and skills in research and project management
- ☐ Increased professional confidence
- ☐ New knowledge and skills to work in partnership with other organisations
- ☐ Opportunities for networking and partnership development
- ☐ Increased research productivity (publications, conferences, proposals, new funding)
- ☐ Opportunities to apply new learning
- ☐ Career progression (qualifications, promotion, new role/responsibility)
- ☐ Professional recognition (editorship, advisory role, keynote invitation, prize, etc)
- ☐ Other outcomes for me personally

If yes, please tell what these personal outcomes were (2,000 characters)

15. Were there any unintended outcomes resulting from your funded project?

- ☐ Yes
- ☐ No

If yes, please tell what these unintended outcomes were (2,000 characters)

16. Having reflected on the outcomes of your project, is there anything you'd like to add regarding the extent to which you think your project's aims and objectives were met? (2,000 characters)

17. Thinking to the future, what longer-term impacts do you foresee for this work? (2,000 characters)

MORE INFORMATION ABOUT YOUR PROJECT

18. Please tell us how the grant was spent and about any variances to the original budget.*
(4,000 characters)

19. Please use this space to tell us more about anything you feel we haven't asked, or to add detail to any of the answers you've already provided. Please feel free to attach any supporting information e.g. reports, publications or links to online content. Please do not upload videos. Max file size: 12 MB. (4,000 characters)

FURTHER FEEDBACK ABOUT YOUR PROJECT

20. Would you be willing for the Trust to contact you in 3 years' time about any further impacts of your funded project?*

☐ Yes

☐ No

If yes, would you prefer this request to come to you directly, or to an organisational contact?

☐ Me directly

☐ Organisational contact

Please supply an email address

21. Do you have any suggestions for improving this questionnaire, or our approach to contacting you? (2,000 characters)

22. And finally, please tell us approximately how long it took you to complete this questionnaire?*

☐ 10-20 minutes

☐ 20-30 minutes

☐ More than 30 minutes
